## Your Wedding in Townsville

*It was a beautiful day with the loving sun caressing the picturesque mountains.*

*The way the couple expressed their feelings was perfectly blended in the breathtaking views of the setting sun.*

*We crystalized every moment of this special day that will be warming the newlyweds' hearts till the end of their days.*

### **couple review:**

For our wedding in Townsville Kelly was a perfect choice for us. Very helpful for our special day. Family and friends were so pleased the day went perfect, thanks Kelly, very happy. Meeting us, planning, everything was so comfortable, it was our pleasure choosing you. Cheers - Wayne C.

**Queens Gardens, Palmetum or Andersen Gardens**

Love is a million mile-long adventure that doesn't consist of just gazing at each other ...but in looking forward in the same direction. Building a journey together to travel as team down the pathways of your future. This day is one of the most important steps on that journey. Allow me to design a wedding that fits you and your unique relationship.
